CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT

April 7, 2021

TO: Chair, Advisory Fire Commission
FROM: Fire Chief Lewis T. Broschard III
SUBJECT: Hearing of Abatement Report

In accordance with requirements of the California State Health and Safety Code, the Advisory Fire Commission shall hold a hearing to confirm the charges of the 2020 Abatement Report so that these charges may be placed on the 2021-22 tax roll. The total amount of this list is \$48,591.00.

The attached report is an itemized accounting of abatement costs incurred by this District for weed abatement and/or rubbish removal of the listed parcels, as provided for by State statutes and local ordinance.

1. The Commission Chair to open hearing in the matter of receiving and considering the 2020 Abatement Report on abatement costs incurred by the Fire District.
2. Upon hearing objections or protests, if any, by property owners, the Commission may overrule any or all objections or modify the Report as the Commission deems necessary.
3. Upon conclusion of the hearing, a Commission member should make a motion to confirm the Report: "Move that the Commission adopt the 'Resolution of Confirmation' confirming the Abatement Report."
4. An additional motion is necessary to allow adjustment or removal of charges without additional hearings: "Move that the Commission does hereby order the District staff to adjust or modify any charges found to be incorrect because the charge was entered:
 - a) more than once,
 - b) through clerical error,
 - c) through the error or mistake of a material fact, or
 - d) illegally."

CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT

MINUTES

February 8, 2021

The Advisory Fire Commission met at a regular meeting on Monday, February 8, 2021. Chair Galey called the meeting to order at 7:00 p.m.

ROLL CALL

Present: Commissioners: Erel Betser – District I
Richard “Tom” Chapman – At Large #2
Michael Daugelli – District III
Walter Fields – At Large Alternate #2
Debra Galey – District IV
Matthew Guichard – District II
Clayton Laderer – At Large Alternate #3
Richard Nakano – District V

Fire Chief: Lewis T. Broschard III

Absent: Mike Egan – At Large #1

INTRODUCE AND WELCOME NEW COMMISSIONER – CLAYTON LADERER

Chair Galey introduced Commissioner Laderer and welcomed him to the Advisory Fire Commission.

Commissioner Laderer is a Walnut Creek resident; works as a Physician Assistant at John Muir Urgent Care; works as a Fire Academy Instructor at Los Medanos College; and retired from San Francisco Fire Department as a Firefighter/Paramedic.

PUBLIC HEARINGS

A. February 3, 2021 Report on the Cost of Abatement

Chair Galey opened the public hearing on the February 3, 2021 Report on the Cost of Abatement. Hearing no objections or protests to the February 3, 2021 Abatement Report, the hearing was closed. Chair Galey then asked for a motion to adopt the Resolution of Confirmation confirming the February 3, 2021 Abatement Report in the amount of \$15,779.41. Commissioner Chapman moved that the Commission adopt the Resolution of Confirmation confirming the Abatement Report, seconded by Commissioner Daugelli. Motion passed (AYES: Betser; Chapman, Daugelli, Fields, Galey, Guichard, Nakano. ABSENT: Egan).

Commissioner Chapman made an additional motion to have District staff adjust or modify any charges found to be incorrect because the charge was entered:

- a) more than once,
- b) through clerical error,
- c) through the error or mistake of a material fact, or
- d) illegally

Motion seconded by Commissioner Daugelli. Motion passed (AYES: Betser, Chapman, Daugelli, Fields, Galey, Guichard, Nakano. ABSENT: Egan).

B. RECONVENE: Jeanny Wang / APN 430-200-020

Chair Galey reconvened the public hearing. Assistant Fire Chief / Fire Marshal Bachman presented the District's findings with input from Fire Inspector Chris Giddis from the Code Enforcement section of the Fire Prevention Bureau.

Following Chief Bachman's presentation, comments from Ms. Wang, and questions from the Commissioners, Commissioner Fields made a motion to deny Ms. Wang's appeal. Motion seconded by Commissioner Chapman. Motion passed (AYES: Betser, Chapman, Daugelli, Fields, Galey, Guichard, Nakano. ABSENT: Egan).

Chair Galey thanked Ms. Wang for presenting her appeal and closed the public hearing.

CONSENT ITEMS

A. December 7, 2020 Meeting Minutes

B. Accept and File Reports:

1. Personnel Report
2. Operating Budget
3. Fire Prevention Report
4. Monthly Activity Reports
5. Suppression Leave Summary
6. Correspondence

The Personnel Report and Monthly Activity Reports were moved to Discussion. Commissioner Fields made a motion to accept and file Items A and B.2, B.3, B.5, and B.6. Motion seconded by Commissioner Guichard. Motion passed (AYES: Betser, Chapman, Daugelli, Fields, Galey, Guichard, Nakano. ABSENT: Egan).

DISCUSSION ITEMS

A. Personnel Report

Commissioner Chapman commented on the fourth firefighter addition to several Truck crews.

With no further comments or questions, Commissioner Chapman made a motion to accept and file Items B.1 and B.4. Motion seconded by Commissioner Fields. Motion passed (AYES: Betser, Chapman, Daugelli, Fields, Galey, Guichard, Nakano. ABSENT: Egan).

B. Overview of CCCFPD Reserve Program

Battalion Chief Paul Silva presented an overview of the Reserve Program which operates out of Station 19. In response to questions, Battalion Chief Silva noted that (1) recruitment is now countywide, as opposed to only in the Briones area, and also via social media, and the District expects to hire another 15-20 Reserve Firefighters this year; (2) minimum requirements include being at least 18 years of age with a clean driving record and CPR certification; they are not required to be EMTs or paramedics; and (3) Station 13 joins Station 19 on all calls. Reserve Firefighters only participate in exterior fire attack. They never enter buildings and have no need for SCBA.

FIRE CHIEF'S REPORT

Reviewed/discussed the February 8, 2021 Fire Chief's report.

COMMISSIONERS' COMMENTS / ITEMS FOR FUTURE AGENDAS

Thanks to Chief Bachman for an excellent job on the weed abatement hearing presentation. Keep up the good work!

Meeting adjourned at 8:30 p.m.

SUPPRESSION STAFFING VACANCIES

	Minimum Staffing	Current Staffing	Vacancies
Fire Captain	90	87	3
Fire Engineer	87	77	10
Firefighter	105	122	(17)
Total	282	286	(4)

NOTES

1. The suppression staffing report reflects full staffing with 28 fire companies, one squad, and three STCs. In July 2019, a fourth firefighter was added to Trucks 6, 83, and 84. In March 2020, a fourth firefighter was added to Trucks 1 and 14 and Engine 10. The positions are partially funded by the SAFER grant awards. In September 2019, three (3) Fire Captain-Paramedics were added for the Helicopter Emergency Medical Services Program at Buchanan Airport.
2. Negative numbers represent a surplus over minimum staffing. Incumbents will fill vacancies created by retirements.

- Certified Letter with date for Hearing on Abatement Order, minimum 15 days' notice.
- The Advisory Fire Commission must hold a hearing on all issued abatement orders. At the hearing, a property owner or their agent may appear to show cause why the order should not be enforced. For good cause, the Commission may extend the time for compliance with the order or may rescind the order.
- Post hearing, the work order is issued to contractor to physically abate the hazard.

CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT

April 12, 2021

TO: Advisory Fire Commission

FROM: Lewis T. Broschard III, Fire Chief

RE: Fire Chief's Report

- Antioch Drive-By Shooting Incident. A Con Fire firefighter and an AMR paramedic were both struck by gunfire at the scene of an EMS call on Saturday evening, February 20, in Antioch. The firefighter was struck in the foot and the medic in the leg. They were both transported to local hospitals in stable condition, and neither injury was life-threatening. Both first responders were released from the hospital on February 21 and were recuperating at home as of the end of last month.

The incident was an EMS call, originally reported to dispatch at 8:53 p.m., for a male patient with abdominal pain. Shots were reported by the Con Fire unit, at 9:08 p.m., shortly after firefighters and medics arrived on scene.

In spite of the very fortunate outcomes in both cases, this was a very serious incident that we are not ignoring. We are conducting an After Action Review to address the incident, including a review of existing policies and protocols to identify any changes that may be warranted.

The incident was initially investigated by Antioch PD, with the Contra Costa County Sheriff taking the lead investigative role on February 21. The Sheriff announced a suspect had been arrested on Sunday morning in Richmond. The suspect was taken into custody following a pursuit from the scene in Antioch.

The suspect has been publicly identified as 26-year-old Darryon Williams of Stockton. After being interviewed by detectives, Williams was booked into the Martinez Detention Facility on one count of murder and eleven counts of attempted murder. At the end of February, he was being held in lieu of bail of approximately \$11 million.

- Evacuation Planning. The County Fire Chiefs were awarded a \$300,000 Urban Areas Security Initiative (UASI) grant that was funded late last year. The procurement process is wrapping up, and a firm was selected to provide a countywide evacuation planning and operational software system. This was an item of interest in Grand Jury Report No. 2007 issued in 2020. Implementation is expected in July 2021.

- Fire Station 4 Update. The District continues to prepare for the reopening of Fire Station 4 in unincorporated Walnut Creek as part of our overall Great Recession recovery planning. Staffing of the station is planned for July 2022 which coincides with the elimination of debt service on our pension obligation bonds. Several logistical and facilities-related issues will need to be addressed over the next year as we prepare to reopen the station. It is anticipated overall engine response times will be reduced by an average of three to four minutes to the immediate area once the station is reopened.
- COVID-19 Vaccination Update. Efforts to vaccinate our employees continue as we begin to see benefits surrounding return-to-work protocols for fully vaccinated employees.

As the fire Operational Area Coordinator for Contra Costa County, the District's efforts to support County Health's request for fire-hosted vaccination clinics continues. Clinics in east, west, and south county are being supported by firefighters, as well as those from all other fire agencies, the Office of the Sheriff, Brentwood PD, Los Medanos Community College Police, Hercules PD, CERT teams, County Medical Reserve Corps, and other agencies. Last week, we began to increase doses administered, from 500 per day to 1,000 per day, with a reduced number of total clinics and are prepared to expand the number of clinics as the situation warrants. The District is also engaged with County Health in planning for potential large scale vaccination sites.

In February, the Fire District received approval from the State to operate a standalone vaccine clinic. We have procured an appropriate refrigeration unit, and all elements are in place to function as a separate and distinct clinic which would allow the District to order and receive vaccination directly from the supply chain. We do not currently plan to initiate this effort as the need to operate a standalone clinic is not necessary at this time, but, having received approval from the State, we have the option and flexibility to do so in the future.

- Fire District Annexation Study Update. Phase II of this study continues with a rough draft and initial findings expected in April. Stakeholder interviews are taking place in March. As we progress, we anticipate additional stakeholder briefings and a number of public outreach activities for Con Fire and the other jurisdictions involved.
- Operations Updates. Hoist training resumed for Con Air 1's pilots in late February. The new estimate for completion of training is mid-April. An FAA issue has surfaced that may alter our initial hoist mission configuration. This issue requires administrative work to find a resolution but does not affect our ability to provide initial hoist training or impact our go-live date.

A number of recent incidents, including a 10-rail-car incident at a local refinery, kept the HazMat crew busy in February. In the refinery incident, our crews made entry into the scene and secured a leaking valve.

Our new HazMat apparatus is on site and being equipped. It should be inspected and inventoried by the state for OES typing in April after which it will go in service as our primary response unit. The OES apparatus we currently use for responses will be moved to reserve status for distant county OES responses or as an in-county back up.

Our HazMat team participated in the BAY EX 2021 training that took place in Antioch and Vallejo last month. They worked alongside specialized units from the FBI and National Guard. The training focused on threats from chemical, biological, nuclear, radiological, and explosives. Follow-up training will occur in April at MOTCO in Concord.

The recruitment and on-boarding process began last month for the 2021 Fire Control Worker program to staff our hand crew. A total of 84 interested candidates were interviewed for up to 24 positions. The estimated start date for this year's program is May 1.

- Alliance Ambulance Staffing. Alliance EMTs have been assigned to the FEMA Oakland Coliseum site to assist with vaccination efforts there.

The Commission on Accreditation of Ambulance Services (CAAS) conferred another three-year accreditation on our emergency ambulance system.

Congratulations to our EMS Division and our Alliance partner!

- Fire Prevention Updates. In February, the District formally launched the Firewise USA® program districtwide. This is a national program that helps neighbors work together with their local fire jurisdiction to protect their communities from wildfire danger. It is administered by the Community Risk Reduction Unit of the Fire Prevention Bureau.

The Firewise USA® recognition program provides a collaborative framework to help neighbors in a geographic area get organized, find direction, and take action to increase the fire resistance of their homes and community; and to reduce wildfire risks at the local level.

Across our District, numerous communities face heightened wildfire danger due to terrain, vegetation, and local evacuation route conditions. Firewise USA® is a perfect complement to our many safety initiatives and a powerful tool for better protecting at-risk communities.

Two new fire inspectors started last month and are assigned to the Engineering Unit where they will be working on new construction plan intake and reviewing plans for approval. Three additional fire inspectors are expected to be hired this month to fill Code Enforcement vacancies.

- Communications Update. Since the universal power supply (UPS) failure at the Contra Costa Regional Fire Communications Center (CCRFCC), on January 24, we

have temporarily replaced one of the two older units. Two brand new units were ordered for future installation.

The Deputy Fire Chief and the new Assistant Fire Chief of Communications are working with County staff to expedite the design and eventual contracting of a major remodel to the CCRFCC. It is anticipated that we will repurpose our former administrative offices on Geary Road to relocate and accommodate the CCRFCC.

Information Systems staff are working on several projects including full implementation of Everbridge mass text notifications, CAD interfaces, and filling current staff vacancies.

- Training and Safety Updates. In February, the Training and Safety Division was very busy providing multiple hosted courses including All Hazards Incident Command, Basic Air Operations, Safety Officer, Advanced Drone Operations, Crew/Engine Boss, and Wildland Urban Interface Operations training.

Our training captains, mechanics, and engineer's cadre provided all probationary firefighters from Academies 54 and 55 with a 24-hour Apparatus Driver/Operator Training Course.

The District's Health and Wellness program continues to grow and provide expanding services to Con Fire personnel. In addition to providing a location for conduct of firefighter physicals and training, the wellness facility in our former fire prevention offices in Pittsburg is equipped with a variety of physical fitness equipment and is staffed by a physical therapist one day per week. The physical therapy evaluation and treatment program is off to an impressive start and will provide another valuable source of support for the organization.

Congratulations to our Academy 55 firefighter/paramedics on the successful completion of their 10-month probationary training!

- Apparatus Update. We took delivery of two Pierce Type I fire engines in January, and they were placed in service last month at Fire Stations No. 5 in Pleasant Hill and No. 10 in Concord. This delivery continues the ongoing effort at replacing older apparatus and maintaining compliance with NFPA standards for taking aging apparatus out of frontline service. One replaced fire engine is a 2002 model with 180,000 miles that the District will surplus; and the other is a 2007 model that will be retained as a spare unit.
